

The CNGS Neutrino Target

*European Organization for Nuclear Research
SL Division, CERN SL/BT
CH-1211 Geneva 23 – Switzerland*

Target Section

1. Target Optimisation :

Paola SALA (*Physicist*)
Paola.Sala@cern.ch

2. Material Choice for Target :

Luca BRUNO (*Nuclear Engineer*)
Luca.Bruno@cern.ch

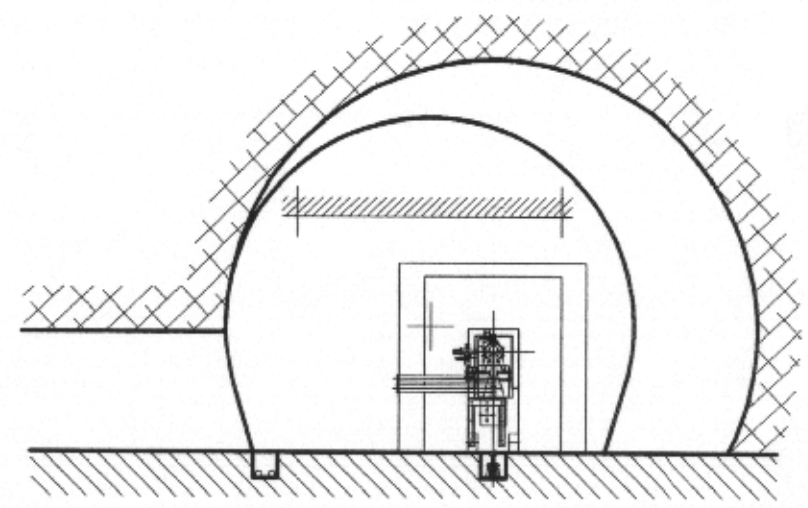

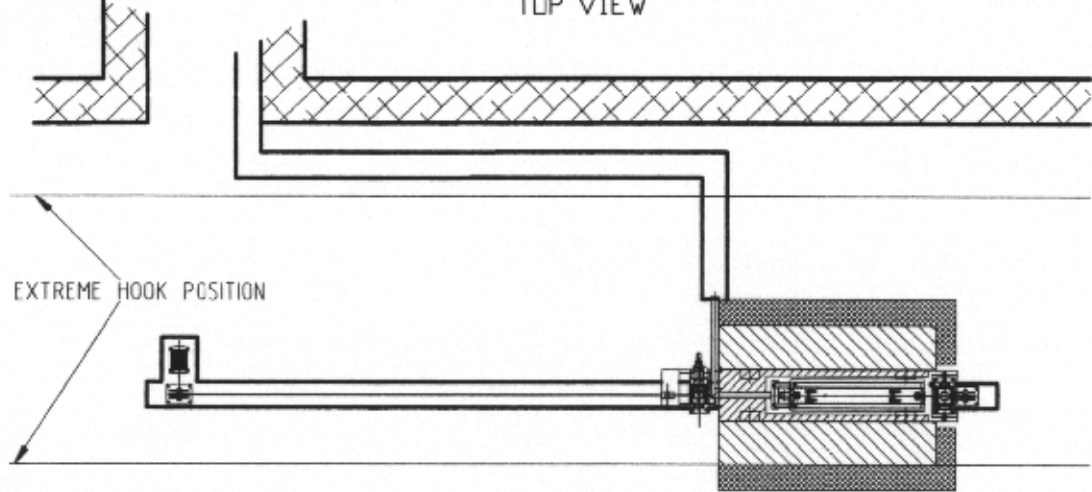

3. Target Station Technical Design :

Serge PERAIRE (*Senior Engineer*)
Serge.Peraire@cern.ch

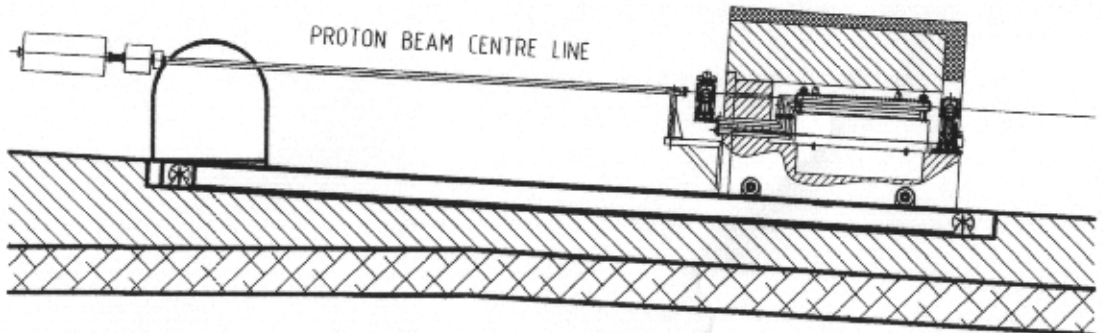

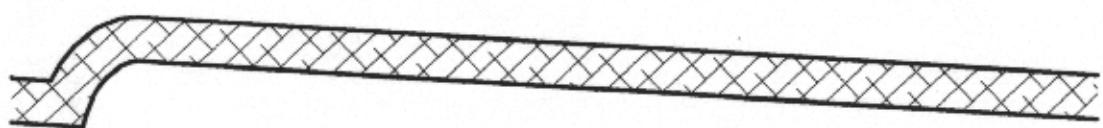

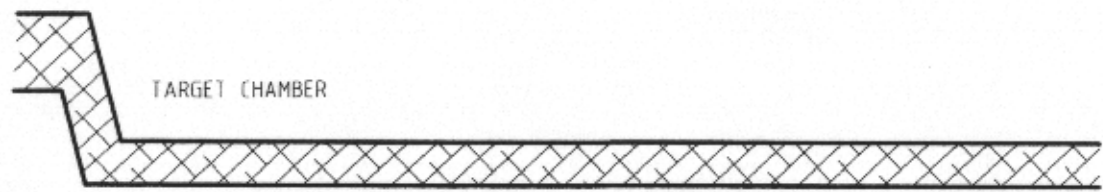

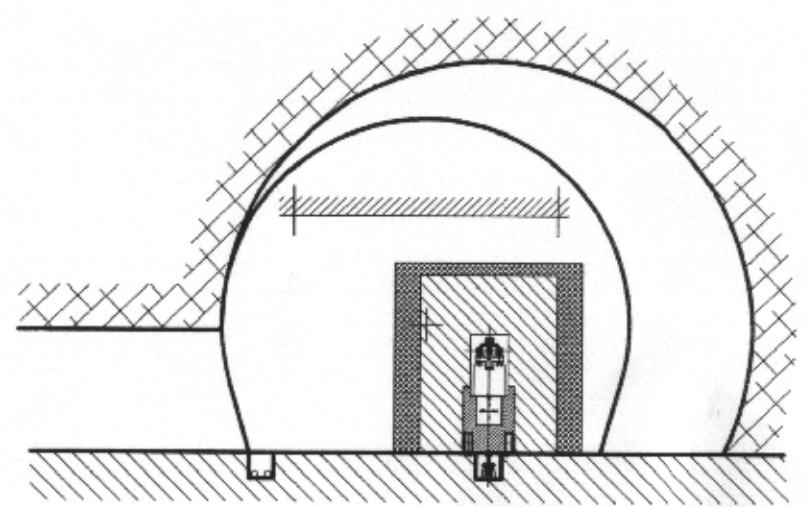

2nd International Workshop on Neutrino Beams &
Instrumentation

September 6-9, 2000 – Fermi National Accelerator Laboratory, Batavia
Illinois, USA
